

SCOPE

Scope Statement

DT Industrial Contractors Limited has determined the scope of the management system and this is recorded on the ISO 9001:2015 Certificate as follows:

THE PROVISION OF FACILITIES AND MAINTENANCE SERVICES

Location(s)

The scope of the management system applies to the following geographical locations:

Unit 9, Holly Park Industrial Estate, Spitfire Road, Birmingham, West Midlands, B24 9PB

Permissible Exclusions

The following clauses of ISO 9001:2015 were determined to be not applicable:

7.1.5 - Monitoring and measuring resources - the calibration of equipment element does not apply as no such equipment is utilised.

8.3 - Design and development of products and services - the Organisation does not consider that its services involve any form of design or development.

Scope of the Management System

The Management System demonstrates the Organisation's:

1. Ability to consistently provide products and services that meet customer and applicable statutory and regulatory requirements
2. Ability to determine both the external and internal contexts in which it operates and shall monitor and review the issues which arise
3. Aims to identify the needs and expectations of interested parties
4. Aims to enhance customer satisfaction through the effective application of the Quality Management System, including processes for improvement of the System and the assurance of conformity to customer and applicable statutory and regulatory requirements
5. Achievement of Quality Objectives.
